Erik,

I have been in meetings all afternoon, so I apologize that I'm just now getting your message. We started the process to finalize the risk assessment document, and I'm not sure where the actual signed document is at the moment in order to make a copy for you (and looking at the clock, you most likely have already left). If you still need me to check on this tomorrow, please let me know and I'll see what I can do.

Kelly,

Is there any chance that you can just email me a signed copy so that I can load it before I leave at 4 pm today into the docket?

Thanks
Erik

Hi Erik,

Sorry, I was out this morning, but have it all ready to go right now. It should be addressed to you and Rachel? Once I get the signatures, I'll route it to the processing person.

Kelly,

Can you give me an update about getting the signed HED assessment. The cbi people are asking when I can load it. Sorry about the rush.

Erik
